

MINDLANCE OVERVIEW

Welcome!

Welcome to the latest edition of the Mindlance Life Science's Newsletter – The Mindlance Report! This e-newsletter is designed to bring you current news, such as new Mindlance service offerings, industry news, upcoming conferences, new web site features, etc. right to your e-mail inbox. Please feel free to pass this e-newsletter on to interested colleagues.

Over the years, Mindlance has successfully delivered contract and compliance management solutions to many Top 100 Pharmaceutical companies. Mindlance understands the endless complex challenges faced by pharmaceutical manufacturers in designing, building and maintaining systems designed to support operations and compliance in the contracting area. We focus on the technical expertise required to realize the complete benefit from contract and compliance systems and the powerful data they supply. We bridge the gap between functional and technical organizations through an in-depth understanding of your complex business environment and the software that supports it. Backed by a management team with over 50 years experience, our consultants deliver a superior quality of service which sets us apart from our competitors.
